**DIRECTORS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2018**

The Directors present their annual report together with the audited financial statements of the Charity for the year ended 31 December 2018. The Directors confirm that the Annual Report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard 102 ("FRS 102").

Objectives and Activities

a. Policies and objectives

The Charity's objectives are to support adults with learning disabilities in order for them to lead self determined lives within socially inclusive communities by ensuring that their physical, social and emotional needs are met on an individual basis.

There has been no change in the objectives of the Charity in the year.

b. Strategies for achieving objectives

The Charity has produced a strategic plan which lays out the strategic direction for the Charity for the short to medium term. An annual operation plan is produced which contains the goals and objectives of each department for the year. The operation plan ensures that every activity is related to its goals and objectives as outlined in the strategic plan. The Directors are satisfied with the Charity's progress in 2018 towards its overall aim, goals and strategic plans.

c. Activities for achieving objectives

The Directors have paid due regard to the company's constitution and governing deed in deciding what activities the Charity should undertake.

The two activities undertaken by the charity in the year were that of: Residential Housing and Day Programmes.

Walkinstown Green Social Enterprises Limited

Included within project costs is a cost of €77,908 in respect of project funding and employment costs borne by Walkinstown Green Social Enterprises Limited. Also included in project costs is a once of charge in respect of prior years of €180,000 for historic support. These costs are supported by WALK because they provide service users with support and programme hours to adults which is core to WALK's mission and objectives.

Achievements and performance

a. Key financial performance indicators

The Charity is reporting a net surplus of €105,503 (2017: €9,069). The Charity reserves at the year end were €4,422,604 (2017: €4,317,101). Of reserves, €3,999,316 (2017: €3,897,864) are held for restricted purposes. The unrestricted reserves comprise of unrestricted income funds and a designated fund.

DIRECTORS' REPORT (continued)
FOR THE YEAR ENDED 31 DECEMBER 2018

Financial review

a. Going concern

After making appropriate enquiries, the Directors have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. The Directors are confident that the Charity shall receive funding from its core funder, the Health Service Executive, into the foreseeable future to enable it to continue as a going concern. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

b. Principal risks and uncertainties

The Charity maintains a Risk Register which is regularly reviewed. The Directors have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks.

The principal uncertainty facing the Charity in the year is the potential liability for incremental pay increases to staff who had been hired on HSE salary scales. In 2009 the HSE stopped paying the increments but there are legal cases ongoing as to whether they may be legally owing to staff. In 2015, WALK made a decision to accrue for HSE salary increments from 2009 onwards which were not paid at the time. During 2017 WALK decided to no longer accrue increments for staff who have departed from WALK, or to accrue for increments from 01 January 2017 onwards.

Other key risks facing the charity are:

1. Regulatory compliance risk

The Charity is regulated by the Charities Regulatory Authority. The Directors of the Charity are aware that non compliance with charity legislation such as the Charities Act 2009 and regulations overseen by the Charities Regulatory Authority would jeopardise the future of the Charity. To manage this risk, the Charity employs suitably qualified professionals, has appointed a highly skilled and expertise led board of directors, and takes advice from experts in the Charity sector. The board are confident that these collectively assist to manage this risk.

2. HSE & HIQA regulatory compliance risk

The Charity must comply and adhere with all elements of HSE and HIQA policies and legislation in respect of care for people. In the event of breach of regulations in this area, the Charity's future existence would be in doubt. To manage this risk, the Charity employs suitably qualified healthcare professionals and managers to help manage this risk.

3. Data protection risk

The Charity receives and manages sensitive information in the course of its charitable activities. The Charity may be exposed to information technology security risks and cyber crime. In May 2018, the GDPR came into effect which has significant implications for how personal data is managed and protected. The Charity has retained external consultants to assist it with its ongoing compliance with GDPR. The Charity makes ongoing strategic and tactical efforts to address the evolving nature of cyber threats and the challenges posed, including the revision of internal practices and controls in this area.

4. Key personnel risk

The Charity is managed on a day to day basis by its executive management team. The loss of any member of

**WALKINSTOWN ASSOCIATION FOR PEOPLE WITH AN INTELLECTUAL DISABILITY COMPANY LIMITED
BY GUARANTEE T/A "WALK"**

**DIRECTORS' REPORT (continued)
FOR THE YEAR ENDED 31 DECEMBER 2018**

this team could result in a financial loss to the Charity due to the loss in skills and knowledge of the Charity, recruitment costs and staff training costs. The Charity endeavours to provide a comfortable and supportive work environment with the aim of retaining key management personnel.

c. Reserves policy

It is the plan of the Directors of the Charity that unrestricted funds which have not been designated for a specific use should be maintained at a level of up to two months operating costs. The Directors consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised. Two month's operating costs is estimated at €1,200,000. Whilst the Charity is not at this level yet, it is the strategic plan to get up to this level in the medium term.

d. Principal funding

The principal funding for the Charity is HSE funding for WALK service users. As 94% of funding comes from the HSE, WALK is actively seeking to identify new sources of income and grants.

Structure, governance and management

a. Constitution

The Charity is registered as a charitable company limited by guarantee, not having a share capital and was set up and constituted under a Memorandum of Association and is a registered charity (number 10777) and was granted charitable status under sections 207 and 208 of Taxes Consolidation Act, 1997. The company constitution was updated in 2017 as the Charity transitioned to a company limited by guarantee under part 18 of the Companies Act 2014.

The principal object of the Charity is to provide services which empower people with disabilities to live self-determined lives in an equal and inclusive society.

b. Method of appointment or election of directors

The management of the Charity is the responsibility of the Directors who are elected and co-opted under the terms of the company constitution.

c. Policies adopted for the induction and training of directors

All Directors go through an induction programme. This programme covers the roles and responsibilities of Directors.

d. Organisational structure and decision making

The senior management of the Charity is comprised of the CEO, Director of Services, Director of Residential Services and Director of Resources. They are responsible for operational decisions on a day to day basis. The CEO reports to the Board of the Charity.

e. Related party relationships

Details of all related party transactions are noted in the notes to the financial statements.

DIRECTORS' REPORT (continued)
FOR THE YEAR ENDED 31 DECEMBER 2018

f. Transparency and public accountability

The Board agree policies, procedures and reporting mechanisms to make sure there is compliance with all relevant legal and regulatory requirements. The Charity is registered with the Charities Regulatory Authority "CRA" and an annual audit is conducted each year by Independent Auditors.

An Annual Report is produced which includes a set of audited financial statements and is displayed on the Charity's website. All the codes and standards of practice to which the organisation subscribes to are publicly stated and available.

g. The Governance Code

The Charity complies with the Governance Code (the "Code") for community, voluntary and charitable organisations in Ireland. The Charity is in compliance with the principles in the Code and a review was conducted on 3 December 2016. This review was based on an assessment of the Charity's organisational practice against the recommended actions for each principle. The review sets out actions and completion dates for any issues that the assessment identifies need to be addressed. No significant matters were noted.

Plans for future periods

a. Future developments

The Charity is confident about its future and that it can continue to develop services in line with its strategic plan. The Charity shall continue to support Walkinstown Green Social Enterprise Limited, a wholly owned subsidiary company, for the foreseeable future as it continues to develop its mission and support local initiatives.

Funds held as custodian

The Charity acted as administrator for the Dublin 12 Jobs Incentive Scheme and the Dublin 12 Local Drugs Task Force in 2017. WALK ceased as the administrator for the Local Drugs Task Force at the of January 2017. WALK ceased as the administrator for the Jobs Initiative Scheme in December 2017. WALK did not have a central role in the management of these schemes but acted as an independent administrator for the bank accounts and payroll administration. Funds held on behalf of these schemes at the year end amount to €5,301 (2017: €4,801). The income and expenditure from these schemes wholly comprise the other income and other expenditure as per the Statement of Financial Activities.

Accounting records

The measures taken by the Directors to ensure compliance with the requirements of Sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records, are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The company's accounting records are maintained at the company's registered office at 1 Longmile Road, Walkinstown, Dublin 12.

**DIRECTORS' RESPONSIBILITIES STATEMENT
FOR THE YEAR ENDED 31 DECEMBER 2018**

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with FRS 102 the financial reporting framework applicable in the Republic of Ireland and the provisions of the Companies Act 2014.

Company law requires the Directors to prepare financial statements for each financial year. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Opinion

We have audited the financial statements of Walkinstown Association for People with an Intellectual Disability Company Limited by Guarantee t/a "WALK" (the 'Charity') for the year ended 31 December 2018 which comprises the Statement of financial activities, Balance sheet, Statement of cash flows, and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable Irish law and Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the charitable company's affairs as at 31 December 2018 and of its incoming resources and application of resources, including its income and expenditure for the year then ended.
- have been properly prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (Ireland) require us to report to you where:

- the Directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF WALKINSTOWN ASSOCIATION FOR
PEOPLE WITH AN INTELLECTUAL DISABILITY COMPANY LIMITED BY GUARANTEE T/A "WALK"**

misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2014

Based solely on the work undertaken in the course of the audit, we report that:

- in our opinion, the information given in the Directors' report is consistent with the financial statements; and
- in our opinion, the Directors' Report has been prepared in accordance with applicable legal requirements.

We have obtained all the information and explanations which we consider necessary for the purposes of our audit.

In our opinion, the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited, and financial statements are in agreement with the accounting records.

Matters on which we are required to report by exception

Based on the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions required by sections 305 to 312 of the Act are not made. We have nothing to report in this regard.

Responsibilities of Directors for the financial statements

As explained more fully in the Directors' Responsibilities Statement, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the IAASA's website at: [https://www.iaasa.ie/Publications/ISA-700-\(Ireland\)](https://www.iaasa.ie/Publications/ISA-700-(Ireland)). This description forms part of our Auditor's report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018**

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2014.

Walkinstown Association for People with an Intellectual Disability Company Limited by Guarantee t/a "WALK" meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Going concern

The Charity has prepared the financial statements on the going concern basis. The Charity is confident that core funding from the HSE shall continue into the medium term to enable the Charity to continue as a going concern. Budgets have been prepared for the next 12 months from the date of signing the financial statements which indicate that the Charity will be able to continue in operation for the foreseeable future.

1.3 Company status

The Charity is an Irish registered company limited by guarantee under part 18 of the Companies Act 2014 with a registered office at 1 Longmile Road, Walkinstown, Dublin 12. The members of the company are the Directors named on page 1. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to €1 per member of the Charity.

1.4 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Directors in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Directors for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES (continued)

1.5 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the Charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the Charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the Charity, or the Charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donated services or facilities are recognised when the Charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the Charity of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), the general time of Volunteers is not recognised.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the Charity which is the amount the Charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

Other income is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Support costs are those costs incurred directly in support of expenditure on the objects of the Charity and include project management carried out at Headquarters. Governance costs are those incurred in connection with administration of the Charity and compliance with constitutional and statutory requirements.

Charitable activities and Governance costs are costs incurred on the Charity's operations, including support costs and costs relating to the governance of the Charity apportioned to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES (continued)

1.7 Tangible fixed assets and depreciation

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of Financial Activities incorporating Income and Expenditure Account.

Tangible fixed assets are carried at cost or valuation, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Residential Housing	-	2% Straight Line
Walkinstown Green Café	-	10 % Straight Line
Motor Vehicles	-	20% Straight Line
Fixtures, fittings and equipment	-	20% Straight Line
Computer equipment	-	33% Straight Line
Day Service Centre	-	2% Straight Line

1.8 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the Bank.

1.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.10 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.11 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities incorporating income and expenditure account over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities incorporating income and expenditure account as the grant conditions are performed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2018

1. ACCOUNTING POLICIES (continued)

1.12 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.13 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.14 Pensions

The Charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the Charity to the fund in respect of the year. Staff pension costs are included in Wages and Salaries.

1.15 Critical accounting estimates and areas of judgment

In the application of the Charity's accounting policies, the directors are required to make judgments, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.
